## **HOT AIR BALLOON PERMIT REQUIREMENTS**

---

Article 1, section 105 of the Los Angeles County Fire Code states... a permit shall be obtained from the Fire Prevention Division prior to engaging in the following: ... to launch any hot-air balloon which has its lifting power provided by an open-flame device. See Section 1109.8 Additional requirements may be applicable.

A plan shall be submitted for approval showing the balloon distance from buildings and other possible hazards, as determined by the chief, before the permit is issued.
